All Levyable Property shall be assigned to one of the three levy classifications shown in Table 1 below in accordance with applicable zoning designation as shown in Exhibit A. Parcels in each of the three levy classifications shall be further classified as Developed Platted Property, Undeveloped Platted Property, or Undeveloped Property.

C. MAXIMUM ANNUAL SPECIAL LEVY

The Maximum Annual Special Levy for a Parcel of Levyable Property shall be determined pursuant to Section C.1 below, adjusted pursuant to Section C.2 as applicable.

1. Maximum Annual Special Levy

Subject to Section C.2 below, the Maximum Annual Special Levy applicable to each Parcel of Levyable Property shall be determined by reference to Table 1. Prior to the recordation of the Final Plat, the Maximum Annual Special Levy for a Parcel of Levyable Property shall be determined by multiplying the expected number and classification of Residential Lots for such Parcel, as determined from Exhibit A, by the corresponding Maximum Annual Special Levy amounts set forth in Table 1 on the following page.

TABLE 1 THE BOULDERS PID MAXIMUM ANNUAL SPECIAL LEVY		
LEVY CLASSIFICATION	ANTICIPATED RESIDENTIAL LOTS	MAXIMUM ANNUAL SPECIAL LEVY
(1) Residential R-2	105	\$1,800 / Residential Lot
(2) Residential R-4	521	\$1,085 / Residential Lot
(2) Residential R-3	197	\$900 / Residential Lot

2. Reduction in Maximum Annual Special Levies

If at any time the Administrator determines that there has been or will be a reduction in the Maximum Annual Special Levies as a result of an amendment to Exhibit A, a reduction in the number of Residential Lots, or other event which reduces the Maximum Annual Special Levies such that the annual debt service coverage ratio is less than one hundred ten percent (110%), then at the discretion of the District Board either (i) the Maximum Annual Special Levy for the Parcel(s) located in the Preliminary Plat(s) or Final Plat(s) in which such a reduction has or will occur shall be increased pursuant to C.2.a below to compensate for the reduction or (ii) a prepayment shall be made pursuant to C.2.b below. Each year's annual debt service coverage ratio shall be determined by dividing (i) such year's reduced Maximum Annual Special Levies less estimated Administrative Expenses by (ii) the sum of the corresponding annual interest and principal payments on the Bonds.

a. Adjusted Maximum Annual Special Levy

If the District Board determines that the Maximum Annual Special Levy shall be increased to compensate for the reduction, the then applicable Maximum Annual Special Levy for the subject Parcels shall be increased by multiplying such Maximum Annual Special Levy by a quotient the numerator of which is equal to the sum of (i) the then applicable Maximum Annual Special Levies for the subject Parcels and (ii) the amount by which the Maximum Annual Special Levies for the District is less than the sum of the estimated Administrative Expenses and one hundred ten percent (110%) of the annual interest and principal payments on the outstanding Bonds and the denominator of which is equal to the then applicable Maximum Special Levies for the subject Parcels, taking into consideration the changes resulting in the reduction. Note, no adjustment shall be made prior to the sale of Bonds.

b. Prepayment of Reduction

If the District Board determines that the reduction in the Maximum Annual Special Levies shall be prepaid, such prepayment amount shall be computed pursuant to Section H, with the following modifications:

- The difference between the Maximum Annual Special Levies required for one hundred ten percent (110%) debt service coverage and the amount to which the Maximum Annual Special Levies have been reduced shall serve as the numerator when computing Principal; and
- The Maximum Annual Special Levies necessary for the annual debt service coverage ratio to equal 110% shall serve as the denominator when computing principal.

3. Exhibit A Amendments

Exhibit A may be amended pursuant to an executed certificate, the form of which is attached as Exhibit B. Any amendment to Exhibit A approved by the District Board shall be recorded with the County Clerk.

D. APPORTIONMENT OF ANNUAL SPECIAL LEVY

Commencing with Fiscal Year 2013-2014 and for each following Fiscal Year, the District Board shall apportion the Annual Special Levy to each Parcel of Levyable Property in equal percentages until the Annual Special Levies equal the Special Levy Requirement, provided the Annual Special Levy for any Residential Lot does not exceed its Maximum Annual Special Levy, in accordance with the following steps:

First: The Annual Special Levy shall be collected from each Parcel of Developed Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;

Second: If additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy; and

Third: If additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

Equal percentages means the Annual Special Levy for each Parcel of Developed Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Developed Platted Property; the Annual Special Levy for each Parcel of Undeveloped Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Platted Property; and the Annual Special Levy for each Parcel of Undeveloped Property, computed

as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Property.

E. MANNER OF COLLECTION

The Annual Special Levy shall constitute a lien on the property subject thereto which shall have priority co-equal to the lien of general ad valorem property taxes. The Annual Special Levy will be billed by the County in the same manner and at the same time as general ad valorem property taxes and will appear as a separate item on the property tax bill for real property within the District as that property is identified on the tax roll on January 1 of each year in which the Annual Special Levy is in effect. As provided in the Act, the District has established foreclosure remedies which shall apply following nonpayment of the Annual Special Levy, which are referred to in the Notice of Imposition of Special Levy. Under those procedures, the Annual Special Levy is subject to foreclosure by the District beginning six months after written notice of delinquency is provided to the owner of the real property to which the delinquency applies. The lien of the Annual Special Levy includes delinquencies, penalties and interest thereon at a rate not to exceed the maximum legal rate of interest per year and penalties otherwise applicable.

F. TERM

The Annual Special Levy that is pledged to pay debt service on the Bonds shall cease to be levied and collected following the payment of all scheduled interest, principal, and premium, if any, for the Bonds.

G. EXEMPTIONS

Property exempt from the Annual Special Levy consists of (i) Association Property and (ii) Public Property.

H. PREPAYMENT

The Maximum Annual Special Levy for the current and all remaining Fiscal Years through the final maturity of the outstanding Bonds for any Parcel may be prepaid in full or in part and the obligation of the Parcel to pay that portion of the Maximum Annual Special Levy that has been prepaid permanently satisfied as described herein, provided that a prepayment may be made only if there are no outstanding delinquent Annual Special Levies with respect to such Parcel and all other Parcels under the same ownership at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Annual Special Levy shall provide the District Board with written notice of intent to prepay and the amount of the Maximum Annual Special Levy to be prepaid. Within 30 days of receipt of such written notice, the District Board or its designee shall notify such owner of the prepayment amount for such Parcel and the date through which such prepayment shall be valid.

1. Full Prepayment

A "Full Prepayment" means an amount equal to (a) the sum of (1) Principal, (2) Premium, (3) Defeasance, (4) Unfunded Public Improvement Costs, and (5) Fees

minus (b) the sum of (1) the Reserve Fund Credit and (2) the Capitalized Interest Credit, if provided for in the Indenture, where the terms "Principal," "Premium," "Defeasance," "Unfunded Public Improvement Costs," "Fees," "Reserve Fund Credit," and "Capitalized Interest Credit" have the following meanings:

"Principal" means the principal amount of Bonds to be redeemed and equals the quotient derived by dividing (i) the then applicable Maximum Annual Special Levy for the Parcel intending to prepay by (ii) the corresponding Maximum Annual Special Levies for the District, (and excluding from (ii) any Maximum Annual Special Levies for Parcels which have been previously prepaid), and multiplying the quotient by the principal amount of outstanding Bonds.

"Premium" means an amount equal to the Principal multiplied by the applicable redemption premium, if any, for any Bonds so redeemed with the proceeds of any such prepayment.

"Defeasance" means the amount needed to pay interest on the Principal to be redeemed until the earliest redemption date for the outstanding Bonds less any Annual Special Levies heretofore paid for such Parcel and available to pay interest on the redemption date for the Bonds.

"Unfunded Public Improvement Costs" means the portion of the public improvement costs that have not been financed and/or reimbursed from Bond proceeds that is allocable to the Parcel to which the Full Prepayment applies and equals the quotient derived by dividing (i) the then applicable Maximum Annual Special Levy for the Parcel intending to prepay by (ii) the corresponding Maximum Annual Special Levies for the District, (and excluding from (ii) any Maximum Annual Special Levies for Parcels which have been previously prepaid), and multiplying the quotient by the aggregate amount of public improvement costs that have not been financed and/or reimbursed from Bond proceeds as determined by the Administrator.

"Fees" equal the expenses of the District associated with the Prepayment as calculated by the District Board or its designee and include, but are not limited to, the costs of computing the Full Prepayment, the costs of amending any Annual Special Levy previously enrolled with the County, the costs of redeeming the Bonds, and the costs of recording and publishing any notices to evidence the prepayment of the Maximum Annual Special Levy and the redemption of Bonds.

"Reserve Fund Credit" shall equal the lesser of (i) the Reserve Fund Requirement (as such term is defined in the Indenture) multiplied by the quotient used to calculate Principal or (ii) an amount determined by subtracting the Reserve Requirement in effect after the redemption of Bonds from the balance in the Reserve Fund (as such term is defined in the Indenture) on the prepayment calculation date, provided that the amount determined is not less than zero.

"**Capitalized Interest Credit**" shall equal the reduction in interest payable on the Bonds due to the redemption of Principal from the Full Prepayment from the redemption date for the Bonds redeemed from the Full Prepayment to the end of the capitalized interest period, as determined by the Board or its designee. No capitalized interest credit is given if the redemption date for the Bonds redeemed from the Full Prepayment is after the capitalized interest period.

The sum of the amounts calculated in the preceding steps shall be paid to the District and shall be used to (a) pay interest and principal on Bonds, (b) redeem Bonds in accordance with the Indenture, (c) pay or reimburse the cost of public improvements, and (d) pay Fees associated with the Full Prepayment. Upon the receipt of the Full Prepayment by the District and the deposit of such funds with the Trustee, the obligation to pay the Maximum Annual Special Levy for such Parcel shall be deemed to be permanently satisfied, the Maximum Annual Special Levy shall not be levied thereafter on such Parcel, and the Administrator shall cause a notice of cancellation of the Maximum Annual Special Levy for such Parcel to be recorded.

2. Partial Prepayment

A "Partial Prepayment" means an amount computed pursuant to the preceding Section H.1 by substituting (i) the portion of the Maximum Annual Special Levy to be prepaid for the term Maximum Annual Special Levy when computing Principal and Unfunded Public Improvement Costs and (ii) the term "Partial Prepayment" for the term "Full Prepayment" in every paragraph and term contained within Section H.1 excepting the last paragraph.

Notwithstanding the foregoing, no Full Prepayment or Partial Prepayment shall be allowed unless the amount of Maximum Annual Special Levy that may be collected after the proposed prepayment is at least the sum of (i) the estimated Administrative Expenses associated with and/or allocable to the Special Levy Requirement and (ii) one hundred ten percent (110%) of the debt service for the Bonds issued and outstanding, taking into account the amount of Bonds to remain outstanding after such prepayment.

I. AMENDMENTS

This Rate and Method of Apportionment of Special Levy may be amended pursuant to and to the extent permitted by the Act. The District Board may make clarifications with respect to this Rate and Method of Apportionment of Special Levy without further notice under the Act and without notice to owners of property within the District in order to (i) clarify or correct minor inconsistencies in the matters set forth herein and/or (ii) provide for lawful procedures for the collection and enforcement of the Annual Special Levy so as to ensure the efficient collection of the Annual Special Levy for the benefit of the owners of the Bonds and the District, respectively. No amendment shall be approved by the District Board if it violates any other agreement binding upon the District and unless and until it has (i) found and determined that the amendment is necessary and appropriate and does not materially adversely affect the rights of the owners of the Bonds or the District Board has obtained the

consent of one hundred percent (100.00%) of the owners of the Bonds and (ii) received an opinion from bond counsel to the effect that the amendment does not violate the Act, and is authorized pursuant to the terms of the Indenture and this Rate and Method of Apportionment of Special Levy.
