LINCOLN AVENUE IMPROVEMENTS - PHASE II**

January 8, 2020

Addendum Number (1) One forms part of the contract documents and modifies them in the manner set forth below.

ATTENTION CONTRACTORS

- Question and Answer

Question and Answer

Question: The current CORR form, A-585, states the DBE participation goal is in the advertisement but I cannot locate the percentage goal anywhere in the specifications. The Notice to Contractors for this IFB requires the bidder to submit form A-644 but this form no longer exists. The attached memo from project CN A300890 is a result of a bidder submitting an old A-644 from that no one else had access too, resulting in the bid being cancelled after the public opening.

Could you please clarify the DBE goal and what forms are required to submit in our bid?

Answer: The DBE goal for the Lincoln Avenue Improvements – Phase II project is 0%. The NMDOT Form A-585 shall be submitted as specified in the Exhibit A. Form A-585 is included in the current bidding documents for bidders use.

New Mexico Department of Transportation has concurred that Form A-644 is not required, so please disregard any previous instruction to complete as part of this bid.

As provided on page 66 of the Bid Documents, Bidders shall acknowledge receipt of Addendum Number (1) One. All other provisions of the Contract Documents shall remain unchanged.
