**ATTENTION OFFERORS**

- Questions/ Answers
- Revised Schedule of Events

**Questions and Answers:**

1. **Question:** *The SOW states the Consultant shall be responsible for all studies and final environmental documentation, along with other requirements. Is a biological, environmental, and/or archeological study(s) required? What studies have been done, and what additional studies are expected?*

**Answer:** This project has federal funds associated with it, and will require that all studies and environmental documentation be completed as part of the design contract following the New Mexico Department of Transportation's (NMDOT), Tribal/Local Public Agency Handbook, current edition.
